

BIRRA CASTELLO S.P.A.

The choice of quality. Every day.

Birra Castello S.p.A is a 100% Italian-owned beer producer, founded in 1997. It currently owns the historic production facility “Fabbrica in Pedavena,” which has been in operation since 1897. Over time, the company has built and reinforced its values of Vision, Pride, and Excellence, its style, its pursuit of quality, its commitment to the community, protecting local areas, and being distinctive and unique. It has done this without ever stopping, constantly innovating and staying ahead. It is also a company that lives in the present, one that understands what matters today, and knows how to share the moments of relaxation and enjoyment of its customers, becoming an integral part of those moments and playing a leading role with its products. Among its most famous in-house brands currently in production are Birra Castello, Birra Pedavena 1897, and Birra Dolomiti.

1897 Pedavena

Originale

The recipe that created the legend of our brewery, passed down from master brewer to master brewer. The subtle herbal note of the blooming hops characterizes this beer, making it extremely refreshing, while still maintaining a full body due to the long fermentation at low temperature. Completing its profile is a persistent, white foam, a sign of high-quality craftsmanship.

Pils Superiore

NOVELTY

From the first sip, Pils stands out for its uniqueness and unmistakability: easy to drink despite its robust structure, a result of the traditional decoction mashing method. The exclusive use of Pils malt gives it a clear and bright color, along with a dry and clean taste, and a pleasantly bitter finish. The precise dosage of resinous and aromatic hops creates a fine, compact, and persistent foam, while the 100% Italian raw materials allow us to proudly showcase our flag.
